**CORAM: D.K.DESHMUKH,J.**

**DATED: 9th December, 2005**

**P.C.**:-

1. The loss that may be suffered by the petitioner due to termination of the agency is capable of being compensated in terms of money and therefore, it cannot be said that if the ad-interim order which is prayed for, if granted the petitioner would suffer irreparable loss. In my opinion considering the serious nature of allegations that were made against the petitioner in show cause notice, it will not be in the public interest to continue the dealership of the petitioner by an interim order. The petition is therefore, disposed of.
